GOVERNMNET OF ANDHRA PRADESH
ABSTRACT

Water Resources Department – Somasila Project -Bezawada Papi Reddy Canal (Kavali Canal) for excavation of 14R Major from Km.0.000 to Km.3.500 (as pilot channel in South Varava) including protection works under Kavali Canal system - Administrative Sanction for an amount of Rs.110.00 Lakhs – Orders - Issued.

WATER RESOURCES (Projects-II) DEPARTMENT

G.O.RT.No. 451 **Dated: 27-06-2018.**

Read:

From the CE, NTR TGP, Tirupati Letter No. CE/NTR-TGP/TPT/TS/T1/F.41-KI, dated:19.04.2018.

-------XXXX--------

ORDER:-

In the reference read above, the Chief Engineer, NTRTGP, Tirupati has stated that the Kavali canal is one of the important components of Somasila Project which off takes at Km 1.609 of Kanigiri Main Canal which is turn off-takes on the left side of Sangam Anicut. The total Length of Kavali Canal is 67.605 Km to serve the ayacut of 75,000 acres. The canal has 15 majors and 52 Minor Irrigation tanks contemplated under Kavali Canal system having an ayacut of about 2931 acres along with its subsidiary tanks. He has further submitted that the 14 R major off takes at KM 67.605 of Kavali Canal and joins South Varava a natural vagu course at KM 0.300 and 14 R major runs for a length of 5.20 KM through South Varava and supplies water to Kavali Big Tank which is one among above said 52 M.I.Tanks and also a Tail End tank. But, certain reasons, in the last season 70 cusecs of water is conveyed from 14R major as against the varava discharge of 4291 cusecs (121.509 cumec). Improvement of South Varava for free flow of water released from 14 R is a costly process. Hence it has proposed to excavate a pilot channel at first instance from km 0.300 to km 3.500 through south varava to bypass part length of south varava, to fulfill the gap Ayacut under Kavali Big Tank, for free flow of water and to minimize the evaporation and transmission.

2) The Chief Engineer, NTRTGP has requested the Government to accord administrative approval regarding Somasila Project-Bezawada Papi Reddy Canal (Kavali Canal) for Excavation of 14R Major from Km 0.000 to Km.3.500 (as pilot channel in South Varava) including protection works under Kavali Canal system for an amount of Rs.150.00 lakhs.

3) The Government after careful examination of the proposal, hereby accord administrative sanction for an amount of **Rs.110.00 lakhs** (Rupees One Crore and Ten lakhs only) for the work of “Somasila Project - for Excavation of 14R Major from Km 0.000 to Km.3.500 (as pilot channel in South Varava) including protection works under Bezawada Papi Reddy Canal (Kavali Canal), SPSR Nellore District”.

4) The above expenditure is debitable under Head of Account 4700- COL on Major Irrigation 01, Major Irrigation (Commercial) MH 112 Somasila Project GH-11-State Development Schemes- SH 27 Canals and Distributaties-530 Major works-531, Other Expenditure of Kavali Canal.

5) The Chief Engineer, NTRTGP, Tirupati shall take necessary action accordingly.

6) This order issues with the concurrence of Finance (FMU-W.R.II) Department, vide their U.O.No.48022/114/FMU.WR.II/2018, dated:18.06.2018.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
